A free-flowing city flourishes

Choosing public transport is a simple and powerful way to bring the dream of a modern, vibrant and people-friendly city to life. Every bus trip you take makes a difference and moves us closer to the city we have all said we want.

Find out how far away your bus is from your stop

You don't need to hurry to your bus stop any earlier than you have to. You can find the expected arrival time of any bus due at any stop using your smartphone or computer. Just look for the 'The next bus due' section on the homepage at metroinfo.co.nz. If you're at your bus stop and you have a smartphone, just scan the QR code on the bus stop timetable panel to see the expected arrival time.

Lost an item?

Don't worry, there's a good chance you and your lost item can be reconnected. The best way to do this is to ring the ferry operator, Black Cat Cruises on (03) 328 9078 or the 28 operator, Red Bus, on (03) 379 4260

Pay your fare using a metrocard

It makes sense to have a Metrocard. Your bus fare is cheaper and you get special Metrocard deals on unlimited daily and weekly travel. You can use it on any Metro bus across the Metro network and the Diamond Harbour Ferry. Get your Metrocard at the Bus Interchange or from a Metro agent, listed on metroinfo.co.nz.

Manage your metrocard balance online

Your metrocard has its own unique card number which you can register online. Then you can not only check your balance, you can also top it up using your credit or debit card. Start by calling metroinfo on (03) 366 88 55 to get your secure registration code. Then your online account is just a few clicks away.

Thanks

Public transport plays a vital role in a modern city. Every time you use it, you make a difference.
