If you are travelling within zone 1 (Christchurch city) and are transferring on to the Darfield service, ask the driver at the start of your journey on your zone 1 bus to charge you the zone 2 - 3 fare. This is so you don't get charged for two trips (a zone 1 fare on the first bus and then, once you hop onto the other bus, a zone 2 - 3 fare). When paying by cash you will receive one free transfer within two hours. When paying by Metrocard you will receive unlimited free transfers within two hours.
